

# **WANTED!**

## **More salmon and steelhead in the creek!**

If interested contact the Salmon Creek Watershed Council to get involved. Currently seeking:

- Board Members:** landowners along Salmon Creek to advocate watershed restoration and health.
- Volunteers:** anyone who can contribute their time and expertise to organize events, plant trees, write newsletters, clean up roads / highways, etc.

We are also looking for Salmon Creek landowners to participate in a **Wild Fish Rearing Project**.

**Be a part of history as we help restore native coho & steelhead runs to Salmon Creek**

Property must be adjacent to Salmon Creek & have rights to a spring-fed tributary producing a minimum 10 gal/min
